

Diamond Healthcare

(a behavioral health management company)

We have interim and permanent job openings available for a Clinical Nurse Manager. One job opening is at Amery Regional Medical Center in Amery, WI. We are looking for a Nurse Manager to work in a brand new 10 bed adult inpatient unit. Amery is driving distance to Minneapolis, MN. We also have Nurse Manager positions open in Richmond, VA and Waukegan, IL.

We can hire someone on an interim basis - where they would work at the hospital until a permanent person was hired and therefore we would pay for their living expenses, salary, and transportation to and from their current home on the weekends OR we could hire them on a permanent basis.

Interested candidates should submit resume with salary requirements to:
