The UAB Health System is comprised of the following entities

- **UAB Health System Corporate Office**
- **UAB Hospital** – A 900+ bed, nationally ranked, academic medical center, and the center of the UAB Health System.
- **UAB Highlands** – An acute care community hospital located within Birmingham’s medical center district.
- **The Kirklin Clinic** - An outpatient facility housing more than 35 specialties
- **University of Alabama Health Services Foundation (UAHSF)** – a nonprofit physician group practice that employs over 1000 physicians who practice within the UAB Health System
- **Callahan Eye Foundation Hospital** – The only eye specialty hospital in Alabama and one of the few facilities in the world entirely dedicated to advancements in ophthalmology.
- **UAB Medical West** – An acute care community hospital servicing the west Birmingham community.
- **Viva Health** – An insurance company providing services for Alabama employers and employees.
- **UAB University Employment** - This area staffs the traditional University including the jobs that support UAB’s world-renowned research.
- **UAB Temporary Services** - An in-house temporary agency that employs individuals in both UAB campus and UAB hospital assignments.

Representatives from our entities will be present to talk with you about future employment.

You may view and apply for jobs at any of these entities by visiting www.uabhealthcareers.org.

We look forward to meeting you, and sharing the various job opportunities available at UAB!

Email questions to Carraway@uabmc.edu. We will triage the questions and make sure they get to the appropriate person for response.
